

Continuing Care Month 2009

***Above and Beyond Because We Care:
Enriching Lives Everyday***

September is Continuing Care Month in Nova Scotia, a time to recognize the caring and dedicated people who help thousands of Nova Scotians to maximize their independence, promote their health and well-being and sustain or enhance their quality of life.

During the month of September visit www.continuingcaremonth.ca to read touching stories that illustrate how continuing care employees and volunteers are enriching lives everyday.
