**To Whom It May Concern:**

Policyholder: Health Association of Nova Scotia  
Policy No: 9219420  
Name of Insured Employee:

This is to confirm that you, your spouse and dependent children (if you have purchased the family coverage under the policy) have effective Emergency Out of Province/Out of Country Medical coverage under the above noted policy, issued by SSQ Insurance Company Inc., as of the date of this letter. SSQ Insurance Company Inc. and AXA Assistance, through the local office in Mexico, are on the list of insurers approved by the Cuban government.

The above noted policy is a reimbursement policy that provides a maximum medical reimbursement expense benefit of \$2,000,000 CDN. There is also an Evacuation Benefit of \$1,000,000 CDN. The policy provides coverage in the event of injury, sickness, or disease as defined under the policy. Please be advised that the policy contains specific limits in respect to certain benefits, services, and supplies.

Coverage is provided for maximum trip duration of 60 days from the date of departure outside the insured's province of residence.

If you are travelling to Cuba from Canada, it is strongly recommended that you bring your AXA Assistance Membership Card with you.
