

# LEADING THE WAY TRANSFORMING YOUR SAFETY CULTURE

**ON MAY 29th JOIN AWARE-NS FOR A DYNAMIC SAFETY LEADERSHIP SYMPOSIUM AND AGM**

## **It's time to translate conversation into action.**

AWARE-NS will be hosting a safety leadership symposium along with their AGM on May 29th at the Nova Scotia Government Employees Union (NSGEU).

In addition to providing an update on the province's *Workplace Safety Action Plan*, we will be learning from leaders who have hurdled the obstacles to prioritize workplace health and safety, as well as amplifying the voices of those on the front lines who are challenging all of us to take action now.

## **Join us**

The symposium will include key note speakers, Steve Snider (General Manager and CEO of Halifax Harbour Bridges) and Steve Foran (Founder of Gratitude at Work – a simple, yet innovative approach to thriving leadership and business growth).

Additionally, there will be a panel discussion with some of Nova Scotia's most prominent leaders across the industry on fostering leadership and enhancing your organization's safety culture.
