

Starting in September, each week a different company will provide wound product education through Microsoft Teams. The products reviewed will be the new products added to the DHW wound product list.

The times for each session will be the same each day from 2:00-2:45pm and 8:00-8:45pm. Each Zone will have a particular day for their session, Monday - Zone 1, Tuesday - Zone 2, Wednesday - Zone 3 and Thursday - Zone 4.

All other zones are invited to join sessions in other zones.
