

Continue your education with ...

Built on decades of excellence in educational programs for health-care professionals

Flexible, interprofessional education

Online courses, webinars, hands-on skills labs and live events

Developed, reviewed and delivered by Canada's top skin and wound experts

Students engage in the type of education best suited to their current level of expertise, specific interests, time availability and resources

What our students have to say:

Take this course and take good notes for the future, as there is so much to absorb and lots of networking opportunities. – *Christine*

Do it. Well organized and great focus on theory prior to course makes for a better in-class experience. – *Barbara*

Great experience, non stressful environment, supportive – *Maria*
