

Wound Care Product List 2021

Effective July 31, 2021
*Updated August 27, 2021

Company product code	PIN for pharmacy orders	Wound Care Product Name	Qty/Box
EXUDATE MGT (Foam Silicone Dsg) Use: Absorption of mod-lrg amt of exudate & skin tears. With/without border. Do not use with hydrogels			
	Molynlycke		
295200	93299497	Mepilex Border 7.5cm x 7.5cm	5/box
295300	93299495	Mepilex Border 10cm x 10cm	5/box
295000	93299354	Mepilex Border 12.5cm x 12.5cm	5/box
295400	93299493	Mepilex Border 15cm x 15cm	5/box
295600	93218035	Mepilex Border 15cm x 20cm	5/box
294100	93299509	Mepilex Non-Border 10cm x 10cm	5/box
294300	93299504	Mepilex Non-Border 15cm x 15cm	5/box
281000	93299253	Mepilex Border Lite 4cm x 5cm	10/box
281300	93218038	Mepilex Border Lite 10cm x 10cm	5/box
Foam Post-Op Silicone dressing Use: Post-op wounds			
	Molynlycke		
496400	93218040	Mepilex post op Border 10cm x 20cm	10/box
496600	93218041	Mepilex post op Border 10cm x 30cm	10/box
Foam Non-Silicone Dressing Use: Absorption of mod- lrg amt of exudate. With /without border. Caution: Do not use with hydrogels			
	Convatec		
421150	95000001	Aquacel Foam Border 10cm x 20cm	5/box
421154	95000002	Aquacel Foam Border 10cm x 30cm	5/box
420619	95000003	Aquacel Foam Border 12.5cm x 12.5cm	10/box
420621	95000004	Aquacel Foam Border 17.5cm x 17.5cm	10/box
420636	95000005	Aquacel Foam Non Adhesive 20cm x 20cm(without border)	5/box
Gelling Fiber Use: Packing of wounds and to provide additional absorption under a foam dressing in mod-heavily exuding wounds.			
	Convatec		
420127	93218030	Aquacel Hydrofiber Ribbon 1cm x 45cm	5/box
420672	93218031	Aquacel Hydrofiber Extra 10cm x 10 cm	10/box
420673	93218032	Aquacel Hydrofiber Extra 15cm x 15cm	5/box
Alginate Use: Packing of wound and to provide additional absorption under a foam dressing in mod exuding wounds			
	3M		
AWD112	93299358	Nu-Derm Alginate Rope 2.5cm x 30.5cm	5/box
AWD202	93299361	Nu-Derm Alginate 5cm x 5cm	10/box
AWD404	93299360	Nu-Derm Alginate 10cm x 10cm	10/box
AWD408	93299359	Nu-Derm Alginate 10cm x 20cm	5/box

ANTIMICROBIAL (10% Povidone Iodine non-adherent sheet) Use: For wounds with minimal exudate or to assist in the drying of wounds			
	3M		
P01481	93218085	Inadine Dressing 5cm x 5cm	25/box
P01512	93218086	Inadine Dressing 9.5cm x 9.5cm	25/box
Cadexomer Iodine Use: For sloughy moist wounds, effective up to 3 days			
	Smith & Nephew		
66060630	93299647	Iodosorb Ointment 10gm tube	4/box
66001286	95000006	Iodosorb Powder 3gm packet	7/box
Alginate: Use: For moderate amt of exudate. Caution: Do not use on dry wounds or wounds with minimal wound exudate			
	3M		
CAD230	93218091	Silvercel Adherent Alginate Rope 2.5cm x 30.5cm rope	5/box
CAD050	93218250	Silvercel Adherent Alginate 5cm x 5cm	10/box
CAD011	93218092	Silvercel Adherent Alginate 11cm x 11cm	5/box
CAD020	93218093	Silvercel Adherent Alginate 10cm x 20cm	5/box
Gelling Hydrofiber Use: For mod-lrg amt of exudate. Caution: Do not use on dry wounds or wounds with minimal wound exudate			
	Convatec		
413571	95000007	Aquacel Ag+ (plus) Rope 2cm x 45cm	5/box
420676	95000008	Aquacel Ag Extra 10cm x 10cm	10/box
413567	93218111	Aquacel Ag+ Extra 10cm x 10cm	10/box
0.2% Polyhexamethylene Biquanide (PHMB)) Use: Gauze dressing for wound packing including tunnels; open surgical wounds			
	Cardinal		
Z7831AMD	95000009	AMD PHMB Packing Strips 0.63cm x 0.91.4m	10/tray
Z7832AMD	95000010	AMD PHMB Packing Strip 1.27cm x 0.91.4m	10/tray
Z7833AMD	95000011	AMD PHMB Packing Strip 2.51cm x 0.91.4m	10/tray
Z3332	95000012	AMD Kerlix Rolls 11.4cm x 3.7m	1 roll
Charcoal and Silver Use: For malodourous wounds contains Silver. NOTE: do not cut			
	3M		
MAS065	93299246	Actisorb Ag 220 Charcoal 6.5cm x 9.5cm	10/box
MAS105	93218328	Actisorb Ag 220 Charcoal 10.5cm x 10.5cm	10/box
Protective Cover Dressings: Use: Cover and protect areas. Note: Does not promote moist wound healing			
	Molynlycke		
670800	93299445	Mepore 6cm x 7cm	60/box
670900	93299441	Mepore 9cm x 10cm	50/box
671000	93299437	Mepore 9cm x 15cm	50/box
671200	93299428	Mepore 9cm x 25cm	30/box
677201	93299419	Mesorb 13cm x 15cm	50/box
677601	93299415	Mesorb 15cm x 20cm	50/box

	677801	93299411	Mesorb 23cm x 30cm	30/box
Superabsorbent (cover dressing) Use: For highly exuding wounds, has extra fluid handling absorbency capacity				
		Molynlycke		
	610100	93218168	Mextra 10cm x 15cm	10/box
	610300	93218170	Mextra 15cm x 20cm	10/box
Skin Protection: Use: Skin Barrier Wipes, Adhesive Remover, Wound filler Zinc Paste, Silver Transfer Sheet				
		Coloplast		
	12020	95000024	Brava Skin Barrier Spray - no sting (50 ml bottle)	1 bottle
	12021	95000025	Brava Skin Barrier wipes - no sting	30/box
		Convatec		
	37436	93218013	Allkare wipe (adhesive remover)	50/box
		Coloplast		
	1964	93299893	Triad Hydrophillic Wound Paste, 71G	1 tube
		Coloplast		
	7910	93218231	Interdry Silver roll 25cm x 366cm	1 box
Compression Use: For VLU or mixed disease. Suggest Drs orders and APBI before application				
		Medical Mart		
	CA600001	95000027	Edema Wear Small up to 45cm/ Navy (foot to knee)	2/pk
	CA960001	95000028	Edema Wear Medium 45- 75cm/Yellow (foot to knee/groin)	1/pk
	CA120L001	95000029	Edema Wear Large 75-115cm/ Red (foot to knee/groin, obese)	1pk
	CA160XL01	95000030	Edema Wear X-Large 115-150cm/Aqua (foot to knee/groin, morbidly obese)	1/pk
Non-Adherent Contact Layer Petrolatum & Silicone Use: To prevent wound adherence				
		3M		
	1015320	95000031	Adaptic Impregnated Dressing Petrolatum 7.5cm x 7.5cm	50/box
		Molynlycke		
	290510	93299523	Mepitel Soft Silicone Dressing 5cm x 7.5cm	10/box
	290710	93299521	Mepitel Soft Silicone Dressing 7.5cm x 10cm	10/box
Non-Adherent (Digit-silicone) Use: Dressing designed for toes and digits				
		3M		
	MAD013	93218020	Adaptic Digit Non-Adherent Dressing Medium 2.4cm	10/box
	MAD023	93218021	Adaptic Digit Non-Adherent Dressing Large 2.8cm	10/box
	MAD042	93218022	Adaptic Digit Non-Adherent Dressing X-large 3cm	10/box
	MAD062	93218023	Adaptic Digit Non-Adherent Dressing Toe 2.8cm	10/box

Packing- Use for packing wounds				
		Derma Science		
DUP59245	93218239		Iodoform Packing 0.5" x 5 yards	1 bottle
DUP59145	93218240		Iodoform Packing 0.25" x 5 yards	1 bottle
DUP59345	93218241		Iodoform Packing 1" x 5 yards	1 bottle
Other				
T168000		Trudell	100 ml Normal Saline- single use - order direct from Trudell	25/box

Advanced Wound Care Product List 2021				
Using products from this list usually requires additional knowledge/experience in wound care management. Generally, the products are suggested by specialists, physicians with wound care experience and wound care clinicians.				
Code no	PIN	Product Name		Qty/Box
Moisture Retention Transparent Dsg Use: To maintain wound moisture under dsq; does not absorb. Caution: elderly skin stripping				
	3M			
1624W	93299397		Tegaderm Film Dressing 6cm x 7cm	100/box
1626W	93299396		Tegaderm Film Dressing 10cm x 12cm	100/box
Hydrocolloid Use: To maintain wound moisture, these dsq do not absorb. Caution on elderly as it can cause skin stripping upon removal				
	Coloplast			
33533	93299920		Comfeel Plus Transparent 10cm x 10cm	10/box
3110	93299479		Comfeel Plus 10cm x 10cm	10/box
Exudate Management Foam Silicone Use: mgt of mod-lrg amt of exudate & skin tears. With /without border. Do not use with hydrogels				
	Smith and Nephew			
66801067	95000013		Allevyn Life 10.3cm x 10.3cm	10/box
66801068	95000014		Allevyn Life 12.9cm x 12.9cm	10/box
66801069	95000015		Allevyn Life 15.4cm x 15.4cm	10/box
66801070	95000016		Allevyn life 21cm x 21cm	10/box
66801751	95000017		Allevyn Life non-border rectangle 10cm x 20cm	10/box
66801750	95000018		Allevyn Life non-border 21cm X 21cm quadrilobed	10/box
Wound Hydration Hydrogel Use: To add moisture to dry wounds, stop use when the wound begins to produce exudate Note: do not use in moist wounds				
	Smith & Nephew			
7308	93299650		Intrasite Gel 8G - single use only	10/box

Antimicrobial Methylene Blue/Gentian Violet Use: To assist with removal of slough and eschar Note: Moisten dsg prior to application			
	Stevens		
HB4414	95000019	Hydrofera Blue Classic 10.2cm x 10.2cm	10/box
HBHD6675	95000020	Hydrofera Blue Classic Thick 15.2cm x 15.2cm x 1.9cm (moisten 5-10 mins before application)	10/box
HBRF2650	93218117	Hydrofera Blue Foam 6.4cm diameter ostomy dsg	10/box
HBT0906	95000035	Hydrofera Blue Classic 9mm tunneling dressing 1.2gm	10/box
Polyester Mesh containing Silver Sulphate Use: Prevent wound trauma, low-mod exudating wounds			
	Urgo Medical		
509341	93218233	UrgoTul Ag/Silver Contact Layer Dressing 10cm x 12.5cm	10/box
509342	93218234	UrgoTul Ag/Silver Contact Layer Dressing 15cm x 20cm	10/box
Medical Honey Active Leptospermum Use: Small amt of exudate, assist with autolytic debridement			
	Derma Science		
DUP795	93218077	Medihoney Calcium Alginate 5cm x 5cm	10/box
DUP405	93218080	Medihoney Gel Tube 50G	10/box
Nanocrystalline silver mesh Use: Can be used for all type of wounds, burns and under NPWT			
	Smith & Nephew		
66800545	95000021	Acticoat Flex 7 Rope 2.5cm x 60cm	10/box
66800399	95000022	Acticoat Flex 3 10cm x 10cm (3 day wear)	10/box
66800397	95000023	Acticoat Flex 7 1cm x 12.5cm (7 day wear)	10/box
Biochemical Modifier with Silver Use: to correct cellular imbalance in stalled wounds Note: do not apply on wounds with slough/necrotic tissue			
	3M		
PS2028	93218228	Promogran Prisma (Ag) 28cm2	10/box
PS2123	93218229	Promogran Prisma (Ag)123cm2	10/box
Wound Cleanser: Use: Can help disrupt and remove biofilm			
	B Braun		
400431	93218222	Prontosan solution 350ml	10/box
Compression Use: Management of venous and mixed leg ulcer - Suggest Drs order and APBI before application			
	3M		
3M2094	93218133	Coban 2 Layer Short Stretch Compression 10cm x 2.7 m	1/box
3M2794	93218134	Coban 2 LITE Layer Short Stretch Compression 10cm wide	1/box
Zinc impregnated gauze Use: for chronic eczema and dermatitis, can be used with compression			
	Smith & Nephew		
4948	93299569	Viscopaste 7.5cm x 6cm	1/box

Contact Layer Paraffin Gauze Dressing low-adhesive paraffin tulle gras gauze dressing Use: on donor/graft sites (used by Plastics)				
		Smith & Nephew		
	66007479	93299626	Jelonet 10cm x 10cm	10/box
Skin Antiseptic 2% Chlorhexidine Gluconate (CHG) and 70% Isopropyl Alcohol. Use: To assist in drying wounds. Note: do not apply open areas				
		3M		
	101.07	93218225	Soluprep antiseptic wipe - large	100/box
	102.03	95000026	Soluprep antiseptic swab small	50/box
		preferred vendor	Povidone Iodine (Betadine) 500 ml	1 bottle
Medical Grade Glue Use: Skin Tears only when edges of tear can be approximated – training suggested before application				
		Medical Mart		
	MSC093005	93218248	Marathon Glue 0.5gm	10/box
	Product code		Supportive Care (These items should be ordered direct from the distributor)	Qty/Box/each
Pressure Offloading Heel Boot requires pressure injury risk assessment and documentation by Nursing, Physio or Occupational Therapist				
	7305	Sage	Prevalon Heel Protector I - Recommended calf circumference of: 10"–18" (25 cm–46 cm)	8/pk
	7300	Cardinal Healthcare	Prevalon Heel Protector II- Recommended calf circumference of: 10"–18" (25 cm–46 cm)	2/pk
	7302			8/pk
	7355		Prevalon Heel Protector III- with Integrated Wedge Recommended for calf circumference of: 10"–18" (25 cm–46 cm)	8/pk
	7382		Prevalon Heel Protector III XL- with Integrated Wedge Recommended for calf circumference of: 18"–24" (46 cm–61 cm)	2/pk
	7312		Prevalon Heel Protector III petite- with Integrated Wedge Recommended calf circumference of: 6"–10" (15 cm–25 cm)	2/pk
	7310		8 /pk	
Positioning Wedges require pressure injury risk assessment and documentation by Nursing, Physiotherapist or Occupational Therapist				
	MSC50023	Medical Mart	Comfort glide positioning Wedges-30° Foam Wedge Covered in Nonslip Material	6/CS
	MSC50024		Comfort glide positioning Wedges 30° Foam Wedge Covered in Nonslip Material, XL	2/CS
Swift sheets require assessment prior to using to ensure resident safety by Nursing, Physiotherapist or Occupational Therapist				
	PTD-56	MIP	Swift Glide Draw Sheet	1 each
	PTD/LS/S		Swift Glide Fitted Sheet	1 each
	PTD-56/BA/Y		Swift Glide Bariatric Draw Sheet	1 each
	PTD/LS/S/BA/Y1		Swift Glide Bariatric Fitted Sheet	1 each
